Acton-Agua Dulce Unified School District Selects New Superintendent

June 24, 2021

The Acton Agua Dulce Unified Schools Board of Trustees is pleased to announce that Dr. Eric

Sahakian has been selected as the new superintendent of schools. Dr. Sahakian is scheduled to begin his position on July 1, 2021.

Input for the new superintendent included sessions with administrators, staff, parents and district stakeholders. Multiple community forums were held and an online survey was available for anyone to complete. Using this information, Leadership Associates, a top search firm, conducted an extensive search. The Board selected Dr. Sahakian from an incredibly talented and impressive list of candidates.

Dr. Sahakian has most recently served as an Assistant Superintendent of Student Wellness and Support Services for the Pasadena Unified School District for over 4 years. Encompassing 28 years of experience in K-12 public education, Eric also served in the capacity of an Executive Director, a High School Principal, Elementary School Principal, Middle School Assistant Principal, and High School Lead Counselor, and Teacher.

Dr. Sahakian takes great pride in delivering student, family and community services, and maximizing school

achievement for students at all levels of learning and overcoming the academic, social, emotional, or physical barriers that may impede student success.

Eric is married with four children.

In a statement from Dr. Sahakian, “I am honored and humbled to be selected to serve as Acton Agua Dulce USD next superintendent. I’m looking forward to getting to know and learning more from the students, staff, parents and the district community as a whole. This is an amazing school district. I also look forward to honoring the established programs and accomplishments while continuing to grow and move the district forward, together. I am very eager to roll up my sleeves and to get to work!”

The district will host a meet-and-greet opportunity for students, parents, staff, and community members to meet Dr. Sahakian at a future date in the coming months.
