SELECTION PROCESS

The Board of Education has retained consultant Dr. Blanca G. Cavazos of Leadership Associates to recruit qualified candidates. The consultant will screen applications and recommend candidates to the Board for interviews and further consideration. The Board will have the opportunity to review all applications submitted. Any contact with board members, in an attempt to influence the selection process, will be considered a breach of professional ethics. Finalists will have an opportunity to familiarize themselves with the community and schools. Board members reserve the right to visit the District and communities of a candidate prior to a final decision.

SALARY AND CONTRACT

The salary will be competitive and based upon qualifications and experience. This approximate salary range is \$205,000 - \$230,000.

APPLICATION REQUIREMENTS

To be considered, the candidate must provide:

- A letter of introduction
- A fully completed application form
- A resume
- Three current letters of recommendation (within the past twelve months)
- Verification of degrees and credentials (finalists only)

All materials will be acknowledged and treated confidentially

THE DISTRICT AND COMMUNITY

The Shoreline Unified School District is a unique school district serving approximately 500 students from TK-12th grade. The district spans over 450 square miles and straddles both coastal Marin and Sonoma counties. As a geographically large, rural school district, we consistently focus on meeting the needs of our students despite the challenges posed by the widespread and remote nature of the communities that comprise our district. These communities are supportive of our schools, and there is no greater example of that commitment than the local scholarship program that routinely awards over \$300,000 to an average of thirty-five graduating seniors. In addition, our schools often serve as a central meeting point for students and students and families.

There are five schools that comprise four school areas within the Shoreline Unified School District. West Marin and Inverness Schools combine to offer a TK-8 program for all of the students in the Olema, Point Reyes, Inverness Park, Inverness, and Marshall communities. Tomales Elementary School is a TK-8 program that serves students from the Dillon Beach, Tomales, Petaluma/Bloomfield, and Valley Ford communities, as well as a few students whose families are stationed at the Two Rock coast guard base. In both schools, there are single classrooms for each grade, and students are often promoted into high school after spending nine years together in the same class. Bodega Bay School is a two-room school that offers multi-grade classrooms for students TK-2 and 3-5. Those students then attend TES for middle school. All students matriculate into Tomales High School, the one comprehensive high school in the district. In addition, roughly twenty percent of our student body is comprised of interdistrict transfer students who choose our programs for the small, close-knit and supportive nature that our learning program provides. It is often said that Shoreline schools provide a private school experience for our students and families.

Mission Statement: The Shoreline Unified School District, in partnership with the home and our rich diverse community, will prepare students for their future, assist them in becoming life-long learners and enable them to reach their full potential as responsible, productive, and contributing members of society. The District will provide a safe educational environment in which students are actively engaged, excellence is expected, and differences are respected and valued.
